

RING-A-DING-DING! HO! HO! HO!

Waiting for Santa...

Sharon has been a lot more active this year with the improvement of her health, and, riding a lot more, up to 75mph on the freeway! She even went bouncing with Jack and Tyler at the Bounce Spot here in town on Thanksgiving. Richard has threatened to send the video in to America's Funniest Home Videos, "Bouncing Grannies" (Some muscles are still sore as we type this).

Yosemite Valley!!!

Bernie is now a 50 year old puppy, lumpy sometimes, but still playful. She will get in the pool whenever she wants no matter what the temperature is outside. Sharon often gets out of bed and steps on a damp rug where Bernie lays after swimming in the middle of the night. Izzy has turned out to be the very barky protective wiggle butt, wiggle butt because of how she wags her tail: back and forth, up and down, round in circles, repeat. And, Izzy loves to play tug a war with Bernie.

Dinner stop coming back from San Jose

Rusl has kept his day job. We hope by the time he gets to 65 we will be able to afford for him to retire (hoping the lottery numbers hit soon). We have spent most of our time with projects around the house and riding short trips here and there. We rode with Sharon's brother and a couple of neighbors to Yosemite which was Sharon's first trip there. Beautiful ride.

We wish everyone a Very Merry Christmas and a Very Happy New Year!
Sharon, Raz, Bernie, Izzy
