

**RING-A-DING-DING! HO! HO! HO!**  
**MERRY CHRISTMAS & HAPPY NEW YEAR!**

2019 was a fast one! We started the year with the [Easyriders Show in Sacramento](#); always good to look for more bikes to stabel should I win the lottery. The next event was not until a road trip to Boulder Creek over [15,16,17MAR19](#); this was Lucy's 1st time on the road; we took the coast highway from Pacifica to Santa Cruz; we stopped at Gorilla Bar-B-Q ([BBQ link](#)) for lunch; Lucy's 1st time on the beach, and, Lucy's 1st overnight away from home.

Then there was Willow's Birthday Dinner on [24MAR19](#)... with new born Lulu. Pool was open for Mother's day eve plung on [11MAY19](#). Last year Sharon spent her birthday in the horsepiddle, so, finally on [17MAY19](#) took her to the The Fine Arts Museums of San Francisco de Young Museum to view art by Monet: The Late Years 1913 to 1926, then to Alioto's Restaurant on Fisherman's Wharf for dinner (Sharon had chipino, of course). Rusl got his 2nd titanium knee on [26th of August](#), as you can see - a different appliance implementation design, even so, both work well; just 6 weeks later Rusl was back working out in the gym and back in karate class. [October 4,5&6th](#) was the Saratoga High School 1969 class 50th Reunion, as it turned out we actually had a really good time at the reunion and we are looking forward to the next Saratoga High School class reunion.

[May 29th](#) was a milestone accomplishment for Rusl; Rusl began studying karate over 50 years ago, and now having recently passed the preceeding 3 mid-term tests, Rusl finally passed the test for 1st Degree Black Belt. Testing included bag work, escapes, forms, weapons (nunchucks), 2, 15, and 5 continuous rounds of sparing, and, board breaks.

... Tyler on the trumpet at the 10th Annual San Lorenzo Valley District Wide Band Festival on [28MAY19](#), Tyler's 8th Grade Graduation Ceremony on [05JUN19](#), Hans rode Sharon's XL883 with us to Foster's Bighorn then over Montezuma Trail through the giant windmills on [24JUN19](#), pool party with Hans, Haley, and friends on [04JUL19](#), the rest of the summer was spent preparing house for sale, e.g., [SunSetter Awning R&R](#), finishing in October.

November: [road trip to Oregon](#) to see properties for sale; next year we plan to find and settle into our new home on the Oregon coast... The 2019 photos can be viewed here: [www.russellrazholder.com](http://www.russellrazholder.com) and here [www.sharonholder.com](http://www.sharonholder.com).
